

## **Beijing Hanjian Heshan (Zambia) Co., Ltd. company introduction**

Beijing Hanjian Heshan (Zambia) Co., Ltd. established in November of 2018, is located on Great North Road, Chisamba Town, Central Province, 40 kilometers away from Lusaka. With a total investment of 10 million US dollars, the project had formed a production line with an annual output of 30,000 pre-stressed concrete poles.

Relying on many resources of Hanjian Heshan Group Headquarters and following the national policy of "One Belt and One Road", our company first set up a subsidiary in Zambia to implement a series of concrete prefabricated products such as: Pre-stressed concrete electric poles, lamp poles, communication poles, fence poles, sign poles, culvert, square culverts, door culverts, drainage pipes, power cable trenches, concrete prefabricated foundations and inspection wells will continue to expand the market.

At the same time, our company signed a laboratory cooperation agreement with Zambia Bureau of Standards (ZABS) on June 2 in this year. The agreement specifies that our company is the cooperative laboratory for testing the mechanical properties of concrete pole and the strength of concrete blocks of Zambia Bureau of Standards. The test report for these items will be recognized and accepted by Zambia Bureau of Standards (a Third Party). And cooperative laboratory business can be carried out

within the scope of these test.
